William Campbell Completes A Decade

Foreword

William Campbell High School held its first school semester in 1950-51. Now, 1960-61 draws to a close, and a whole decade has elapsed. We are proud to have been a part of this decade and all that it stands for. The fun that we have had, the many experiences and friendships that we have shared, and even the work that we have done will make our school days at William Campbell stand out as the most cherished days in our lives.

We, the annual staff of the 1960-61 General, have enjoyed trying to review our many memories in this tenth year of our decade, and we hope that you will join us as "we present the top tenth in our album of school records."

William Campbell High School

William Campbell High School, an accredited, five-year high school, is located on Highway 501, Naruna, Virginia. William Campbell is a consolidated high school in Campbell County with an enrollment of 434 students from Brookneal, Gladys, and Naruna. The members of the high school faculty total 23. Mr. James E. Strickler has been principal of William Campbell during our first decade.

William Campbell was established in 1950 and had an enrollment of 251 students and 16 high school faculty members. The school was named for General William Campbell, who distinguished himself because of his heroism in

the battle at King's Mountain during the Revolutionary War. The basketball and baseball teams are known as the Generals.

The main building has 9 regular classrooms, 2 science laboratories, a typing room, art room, music room, projection room, home economics department, gymnasium, library, cafeteria, and offices. Plans have been approved for the addition of a new wing to the building. The elementary school building is directly behind the high school building. The agriculture building is to the right of the main building and has a shop and several classrooms.

Our Album
Dedicated In Appreciation To-

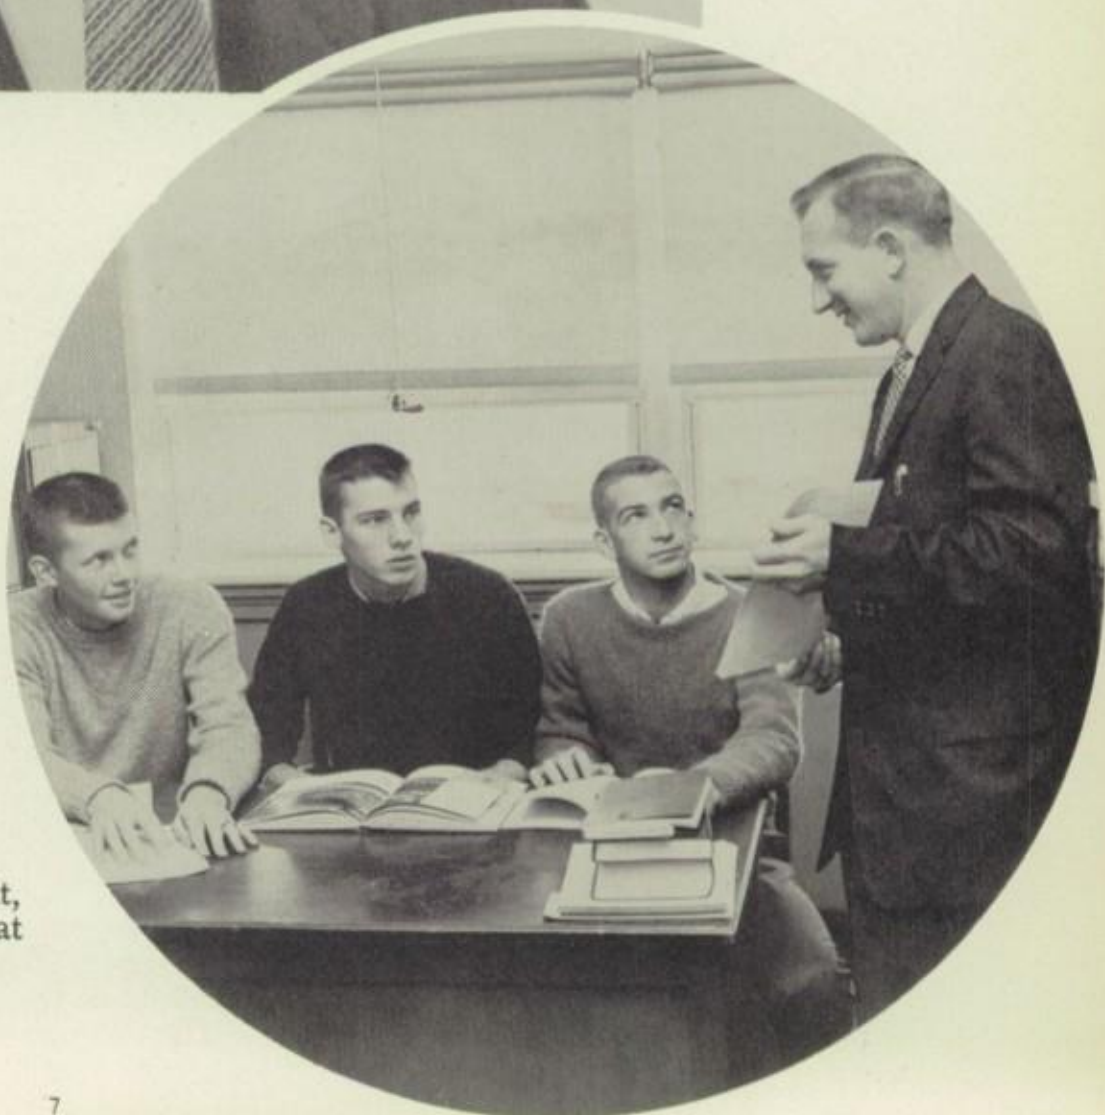

Mr. Frazier R. Sizemore, Jr.

The 1960-61 Senior Class of William Campbell High School proudly dedicates this tenth edition of the General to Mr. Frazier R. Sizemore, Jr.

As one of our teachers and friends, he has proven worthy of our trust in him. We are grateful to him for his understanding nature and wise counseling which have proved very valuable to us in both our school and home environments.

We appreciate his loyalty to our school and the ideals for which it stands.

In Guidance Mr. Sizemore helps Wayne Holt, Jimmy Peak, and Larry English to decide what colleges to attend.
